

Bridging Kupuna and Disability Internship

**Grow Your Career,
Strengthen Your Community**

**Fall Semester
Apply by August 30, 2026**

**Available to college
students statewide**

Are you a student eager to expand your skills while making a meaningful impact?

This internship offers you the chance to:

- Build real-world experience working directly with individuals with developmental disabilities in your community.
- Develop professional skills in communication, teamwork, and inclusive care that will strengthen your résumé.

"I learned that I fell in love with helping and learning from the participants. Not only did they teach me what I might want to do as a job in the future, but I was filled with so much joy."
